Why not arrange to meet the girls over a Cosmo or Mojito and learn how to make these world renowned drinks by the masters?

Our award winning mixologist will show you how to make, and explain the history behind some of today's most popular cocktails.

With classes teaching you everything from Mojito Master Class, Sex and the City recipes, Martini Cocktails and Retro Look Back, you and the girls can learn how to make some classic favorites while also make them and more importantly getting to drink them.

With each person getting to try their hand at a cocktail & a shot, and drinking them! and with a souvenir for the bride to be at the end, our Cocktail classes are fast becoming one of the most popular activities for a hen party
